...Long ago legend tells stories of the elves and gnomes.
it has been said that these races have been at war for hundreds of years.
Their wars stem over eyesight...
The elves steal humans eyesight while the gnomes want humans to see.
It is said there are two ways to see.
The gnomes can make you special glasses or you can brew an elves ear into a tea.
Are you ready for your journey?
1:Yes or 2:No
